AutoCAD/AutoCAD LT; AutoCAD architecture; AutoCAD Electrical engineering; AutoCAD Mechanics; AutoCAD MEP; Map AutoCAD 3D; AutoCAD Plant 3D. They can also be applied in industrial areas: mechanical engineering, construction, metallurgy, petrochemical and pharmaceutical industries, etc. However, the essence of AutoDesk programs is different and when writing most of the main applications that are not related to mechanical engineering, it is better not to interfere with AutoCAD and AutoLISP. New AutoGraphics, AutoExtension and Autodesk Facade capabilities will allow AutoPlan 2000 users to create their own Autodesk workspaces. Each user can independently create their own working environments. This happens through the library. The Autodesk Library contains over 200 classes that allow you to create other Autodesk libraries. With the advent of AutoWork Suite 2006, with the advent of the AutoSimplex program, with the help of the Autodesk classes built into AutoStudio, more flexible options appeared for using the AutoDraft library. All library management and workspace creation was done through the StartDraw menu in Autodesk. Autodesk AutoPay is a service that allows you to add "money" windows to the finished scheme, and you can upload both the scheme file and its vector graphics. The download is done through the Autodesk client. CorelDraw as a vector graphics format in 2001 was chosen for release in Autocad. In 2012, CorelDRAW became the #1 selling IDE for Adobe AutoInstrumentation. The authorship and design of the scheme is not controlled. PSD templates can be downloaded and used in Autodesk itself or in other Autodesk products. Publisher is a program for creating PDFs from Word and OpenOffice files. Jetpack is a development environment that allows Autodesk users to create projects based on PDF files. OpenOffices.org is an American non-profit non-profit organization. It was founded by a group of independent developers who created the office software for OpenOut and offers its own freeware version of the software that is compatible with other programs. OpenOnl has tidied up the source code of the program. Partially
